SHERIFF

FOR IMMEDIATE RELEASE – April 29, 2010

COUNTY HISTORICAL INFORMATION REQUESTED

The Weld County Sheriff's Office will be celebrating its 150th anniversary in 2011, commonly known as sesquicentennial. John Paul was Weld's first Sheriff when the County was created in 1861 and served for two years. The County and the Sheriff's Office are planning events such as building a float, creating a calendar with photos and putting together a power point presentation to mark this important milestone and are asking for the public's help. Sheriff John Cooke is asking anyone that may have historical information or items related to the Sheriff's Office to contact Undersheriff Margie Martinez at 970 356-4015 ext 2803. Recently 27 Posse badges from 1964 were returned to the Sheriff's Office and will be put on display in the front lobby of the Sheriff's Office.
