On Monday night October 31, 2005 at about 8:14 P.M. several teenagers were sitting in and standing around a car parked on the West side of Elm Street just South of Gandy Ave in Keenesburg. Three of the teens were standing next to the parked car when another car driving North on Elm Street side swiped the parked car hitting the three standing teenagers. The vehicle that hit the teens and the parked car then stopped and other teens in the area confronted the driver. A fight nearly broke out and the Police were called. When Weld County Sheriff's Deputies arrived on scene they dispersed the crowd and identified the driver of the car as 60 year old William Mullison of Keenesburg. Deputies determined that Mullison was intoxicated and he was arrested for Driving under the influence of alcohol and Vehicular assault and booked into the Weld County Jail.

The 3 injured teens were taken to area hospitals where they were treated for their injuries. The teens were identified as 15 year old Scott Johnson, 15 year old Anthony Wagner and 19 year old Sarah Mackay all of the Keenesburg area. Johnson suffered cuts to his head, face and jaw and has

partial memory loss. Wagner's hand was run over by the car and he suffers loss of use of that hand. Sarah suffered a bump on the head when she fell and hit the pavement. Current medical conditions of all 3 teens were not available at this time.
