FOR IMMEDIATE RELEASE – November 19, 2008

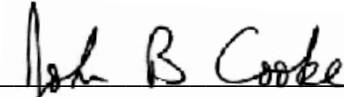

12 YEAR OLD FEMALE SEXUALLY ASSAULTED

GREELEY, Colo. – A twelve year old Evans female reported she had been sexually assaulted by a male Tuesday evening at a motel in Weld County.

At approximately 8:00 pm yesterday deputies and investigators were able to locate a twelve year old female who was originally reported missing from Evans, Colorado on or around Friday, November 14 after she began communicating with her mother via text messaging around the same time. The female was located at the Red Coach Inn in Weld County where she said she was allegedly sexually assaulted. Although the case is still under investigation it is possible a kidnapping or enticement occurred from the area of 4th Street and 11th Avenue in Greeley sometime Saturday or Monday afternoon.

Alfredo Andino-Ramos, forty years old from Honduras, whom the victim did not previously know, has been arrested and booked into the Weld County jail for sex assault on a child.

Currently the investigation is ongoing pending further interviews and follow-up of additional leads.
