ATM Smash and Grab in Keensburg

At approximately 1:06 am on September 27, 2006, the Weld County Sheriff's Office was dispatched to a burglary at 190 N. Market Street in Keensburg.

A witness told Deputy Domonique Armstrong they heard a crashing noise at about 1:00 am on September 27, 2006. The sound woke the witness up and it sounded like a vehicle hit something more than once. The witness then saw a work truck leaving a driveway of the Market Street Mart, 190 N. Market Street, in Keensburg. The witness [reported](#) the front of the store was completely destroyed by the collision.

Deputy Armstrong noticed the front of the store was destroyed including iron gates which had been

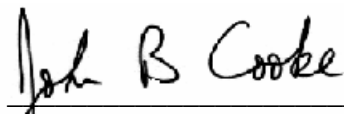

bent out of shape. He also noted the store's ATM machine was missing.

At approximately 9:30 am a citizen called and said there was an unattended pickup with the engine running and a chain wrapped around the bumper at 18527 Weld County road 52.

Deputies responded and found the pickup truck with a smashed ATM and pieces of the Market Street Mart building nearby. The money from the ATM had been removed.

The pickup was stolen from the Denver area around 5:00 pm on September 26, 2006 and reported to the Adams County Sheriff's Office.

The case remains under investigation. If you have any information about this case please call Investigator Joshua Noonan at 970-356-4015 x 8777 or visit www.weldsheriff.com
