SHERIFF

**FOR IMMEDIATE RELEASE – December 24, 2008**

### ***WIRE THEFT CAUGHT ON CAMERA***

---

GREELEY, Colo. – Two wire theft suspects and their vehicle were photographed while taking over \$7000 in copper wire.

On December 17, between the hours of 9:30 am and 1:30 pm two males entered the victim's property near Keenesburg on two separate occasions. The two suspects took 1100 feet of wire valued at more than \$7000. Because the victim had suffered other losses in the past he had installed a camera system that is capable of taking pictures of a certain area when there is movement in that area. The camera system captured photographs of the suspects and their pickup truck during both thefts on December 17.

In the photographs an older model yellow Chevrolet pickup with a white topper and a significant amount of rust appears at the crime scene. The pickup is possibly a late 70's "Big 10" model.

If you recognize the suspects, vehicle, or have any information concerning this crime please call the Weld County Sheriff's Office at 970-356-4015 or 800-436-9276.
