The Weld County Sheriff's Office is pleased to announce that it has joined several other agencies throughout the state in offering the "Colorado Watch Your Car" program to the citizens of Weld County. This program is designed to help in the detection and apprehension of stolen vehicles. This program is intended to be used by those persons who rarely drive their cars between the hours of 1:00 a.m. and 5:00 a.m. The way the program works is by a person first registering their car with the "Colorado Watch Your Car" program. Two things then happen, a sticker is given to them to place on their car and a computer entry is then made listing their car as being in the program. This then allows any law enforcement agency to stop and contact the driver of the car between the hours of 1:00 a.m. and 5:00 a.m. to find out if the driver of the car is the owner or has legal possession of the vehicle. For anyone who is interested they can either contact the Weld County web site at [www.weldsheriff.com](http://www.weldsheriff.com) which has a direct registration link listed in the Sheriff's section or you can contact "Colorado Watch Your Car" directly at [www.colordaowatchyourcar.com](http://www.colordaowatchyourcar.com).

This program is being offered as another service to the citizens of Weld County as part of our ongoing commitment to community policing.
