Ride Along Information and Application

I am pleased you are interested in participating in the Ride-Along Program. Through your first hand participation you will better understand the operation of a modern law enforcement agency. Because of today's busy schedules, it is particularly difficult for interested citizens like yourself to find time to become involved in a Ride-Along program and that makes your interest even more significant. I believe that effective law enforcement is possible only through community and citizen involvement. Perhaps the Ride-Along program is your first step toward this involvement. Whatever your past relationship with law enforcement has been, I congratulate you for your effort to become more involved.

Because of insurance and personal risks, all Ride-Along requests must be submitted in writing on the attached application and must be approved prior to the actual date of the Ride-Along. The Sheriff has no obligation to approve all applications and some may be denied due to program capacity or other reasons in the best interest of the Sheriff's Office.

To qualify for the Ride Along program the following must be met:

1. Applicant must be at least 16 years old or an active member of the Sheriff's Explorer Post.
2. Anyone under the age of 18 must have the insurance waiver signed by their parent or legal guardian. Minors may only ride during daylight hours.
3. Adult ride-alongs must be complete by 10:00 p.m. unless special permission of the Sheriff is granted.

If you are approved to ride along, you must abide by the following:

1. Male ride along participants must wear slacks and sport shirts. Jeans are not allowed.
2. Female ride along participants will wear conservative blouses and slacks or a pants suit. No halter tops, shorts or jeans are allowed.
3. All ride-along participants will remain in the front seat of the patrol unit unless permitted by the assigned Deputy to exit the vehicle on non-hazardous calls.
4. All participants are reminded that their role is strictly that of an observer.
5. Participants must obey the assigned Deputy's directions due to the sometimes hazardous nature of police work.
6. Conduct must follow professional standards of the Sheriff's Office. Horseplay, flirtatious conduct or any unprofessional conduct will cause immediate termination of the ride along.
7. All ride alongs must be aware that circumstances may dictate the assigned Deputy respond to a serious or dangerous call. In the event of this situation, the ride along will be left at a safe location and will be picked up by another unit as soon as possible.

Any violation of these or any other Sheriff's Office rules will be grounds for immediate termination of the ride along. Any question about these requirements should be addressed to the on-duty manager prior to beginning the ride along.
